

Our iPhone app has finally been released to the iTunes App Store for everyone! For those of you with iPhones:

1. Please make sure your phone has been enrolled for mobile banking. (In Online Banking, click user services, and "Mobile Enrollment", walk through the activation)
2. In the iTunes App Store, search for "First National Bank of Crossett" or simply, "Crossett".
3. Download the app from iTunes to your iPhone.
4. Start the app and enter the activation code you received in Step 1 above.
